UC Evo Star Line

red dot design 2012

The UC Evo Line has won a Red Dot Award in the Product Design category. This internationally coveted award attests to the outstanding quality of the UC Evo Line's aesthetic and functional design.

Printer options

Ticket printing, label printing, or, with the double printer function, switch conveniently between labeling and operating mode with a one-touch action. Print out recipes, cooking tips or allergy advice on the scale at the same time - choose the printer unit which best suits your needs.

Best visibility and legibility

With the Flexible Scale Display System, the screen tilt angle and height can be individually adjusted to suit your sales area - including counter height and cash drawers. This gives you every option to avoid creating visual barriers when communicating with customers.

The touchscreen interface and customer display on the UC-CT-S compact scale are adjustable. This makes weighing easy for your sales staff, and allows your customers to keep a close eye on all price and weighing information.

Sustainable Technology

UC Evo Line scales are very economical when it comes to power consumption. This certainly pays off and is also good for the environment. Strategies for more sustainability exemplified in a credible way - UC Evo Line scales make the decision easy.

UC-CT-S

Описание *PC counter scale with touchscreen operation*

Дисплей *5.7-inch (14.5 cm) screen with backlit LED technology; 320 x 240 pixels*

Клавиатура *Touch-sensitive 12.1-inch (30.7 cm) screen with backlit LED technology; 800 x 600 pixels*

UC-HT-S

Описание*PC counter scale with touchscreen operation*

Дисплей*5.7-inch (14.5 cm) screen with backlit LED technology; 320 x 240 pixels*

Клавиатура*Touch-sensitive 12.1-inch (30.7 cm) screen with backlit LED technology; 800 x 600 pixels*

UC-SPCT-S/UC-CDDT-S

Описание*PC-based compact scale for prepacking and self-service areas*

Дисплей*5.7" screen (14.5 cm) with backlit LED technology, 320 x 240 pixels*

Клавиатура*12.1" touch-sensitive screen (30.7 cm) with backlit LED technology, 800 x 600 pixels*
